

Techtrol Gold Centrifugal Compressor Lubricant

Techtrol Gold is an engineered synthetic coolant specifically designed to help centrifugal compressors (Techtrol Gold CL for MSG® Centac®, Techtrol Gold TL for MSG® TURBO-AIR®) maintain peak performance over a full range of operating temperatures, maximizing cost savings and reliability.

Features

When compared to mineral-based lubricants, Techtrol Gold synthetic coolant offers significant advantages:

- **Premium base stock** provides exceptional performance, surpassing all mineral-based lubricants
- **Extended operating life** of three years (24,000 hours), reducing fluid disposal frequency and costs
- **Eliminates deposits** and build-up of debris caused by fluid breakdown allowing bearings to run cooler, minimizing downtime and costs
- **Superior film strength** protects against metal-to-metal contact
- **Stable viscosity** over a wide temperature range ensures optimized compressor performance and efficiency, even in varying environmental conditions and mechanical loads
- **Exclusive blend** formulated specifically for Ingersoll Rand centrifugal compressors that exceeds lubricant specifications to assure consistent quality

Model Specifications

Container Size	Part #	Description
5 Gallon Pail	38459590	Techtrol Gold CL - Centac Lubricant
55 Gallon Drum	68140490	Techtrol Gold CL - Centac Lubricant
5 Gallon Pail	AAP1405340-00394	Techtrol Gold TL - Turbo Air (TA/NX) Lubricant
55 Gallon Drum	AAP1405340-00395	Techtrol Gold TL - Turbo Air (TA/NX) Lubricant
